Clothing:

Please send children dressed for the weather.

We recommend one piece swimsuits. No pull strings. Strappy sandals, flip flops, shoes with heels or wheels are **not safe** for active play; please send runners or athletic sandals with straps at the back.

We want to keep your children safe.

Please send a labeled:

- ✓ **bathing suit**
- ✓ **hat**
- ✓ **sunglasses**
- ✓ **towel**
- ✓ **extra clothes**
- ✓ **runners/athletic sandals**

**If items are not labeled,
we will label them.**

Field Trips and Outings:

Children **must be here by 9:00 am** or earlier for field trips when requested. There will be no exceptions. If you are here late there will be **no one here** to take your child.

We will be back from most of our daily outings by 3:00 pm. If you need to pick up your child earlier than 3:00, please speak to a staff.

Being on Time is Important Because:

Our summer program starts at **9:00 SHARP!!** We want your child to benefit from every part of our program, your child needs to be here by **9:00**.

1. Some outings require your child be here **before 9:00. You must be here before or at the posted time, no exceptions!!** These outings will be posted on the parent information board.
2. Our daily outings are planned in advance. If your child's group has left on an outing, your child will miss out on the group activity.
3. For safety and policy reasons, **all** children need to be signed in. Therefore, children **WILL NOT** be dropped off at an outing site should they not be here on time. They will have to *remain with you*, the parent, unless special arrangements have been made ahead of time (for dentist appointments, swimming lessons, etc.). There are many things we have to do before leaving for a fieldtrip, these are all things that make it safe for your children.
4. Communication is important. Please **talk** to the staff in advance should you need to arrange early pick up or drop off. If we are aware of things in advance, we can try to accommodate you much better.

Thank You

Hats and Sunscreen – Summer Safety

Please send a **labeled** hat and apply sunscreen **before** arriving with your children. Wide brim hats are effective in blocking direct ultraviolet radiation from eyes.

WE ARE NOT RESPONSIBLE FOR LOST OR STOLEN HATS

- Policy restricts outdoor play by children if it is more than 30 degrees or when it is too humid. At these times children will play indoors or have *limited outdoor* play.
- **You must have a hat everyday or you will be sent home. No Exceptions will be made!!**
